

Key Stage 1 and 2 Data

2018-2019

Key Stage 1 and 2 once again produced an excellent set of results in the academic year 2018-2019. Compared to the national, our attainment across the board is exceptionally high, and we are incredibly proud of our children and all they have achieved.

Below, you will find the breakdown of how we compare percentage-wise in each subject. The children achieve significantly higher than the National Average.
